

BASIC DESCRIPTION

The 8035 CNC is a compact CNC

(7.5" LCD Monitor + CPU + Keyboard + Operator panel in one unit)

For Milling machines and Centers (3 axes and spindle)

83351045	CNC 8035-M-MON-2	Monochrome
83351044	CNC 8035-M-MON-R-2	Monochrome and Retracing
80351020	CNC 8035-M-COL-2	Color
80351021	CNC 8035-M-COL-R-2	Color and Retracing
83351043	CNC 8035-M-COL-R-CAN-2	Color, Retracing and interface CAN

For Lathes and Turning Centers (2 axes and spindle)

83351042	CNC 8035-T-MON-2	Monochrome
83351041	CNC 8035-T-COL-2	Color
83351040	CNC 8035-T-COL-CAN-2	Color and interface CAN

Features available in all the CNC 8035

- 128 MB KeyCF (flash memory)
- Electronic threading
- Tool magazine management
- Machining canned cycle
- Rigid tapping
- DNC Communications
- Tool radius compensation
- Setup assistant
